

# The bench – Retrospection, Tranquility

## Theme

The picture of a bench on an evening by the park in a pleasantly lit surrounding relates to the theme of life by signifying the importance of taking a break, retrospect our lives, look at how far we have come in this constant set up of bettering ourselves...

It is necessary to take a break and reminisce the tranquility, amongst the internal conflicts and chaos that we all have inside ourselves, sometimes.

## Details of composition

*focal length: 4.745 mm*

*Ground level shot*

### Color composition

The Subject complements the color combination and the lighting conditions.

## Technical Aspects

Aperture - f/1.75

ISO - 1600

Shutter Speed – 1/430 sec

## Post Processing Workflow

This particular picture, hasn't had much of enhancement, It had only been cropped and the colour has been adjusted to achieve the right colour combination.

1. Cropped the Image to remove unwanted area at the bottom
2. Adjusted Vibrance and saturation levels to enhance colours
